

PHASE 1

PREPARING AND DEVELOPING THE ACTIVITY

BEFORE START

1

Select a topic

Examples topics:
[UN](#) and [Unicef](#)

Resources:

[Activity pack: Seeking Safety](#)
[Activity pack: A Time to Flee](#)

2

Prepare material to introduce
the topic to the students

READY? LET'S START!

3

Divide the class in
groups and assign roles

4

Introduce the topic to the class
and create a class project

5

Develop the project
(story, animation,
game...)
(2-3 hours)

6

Share the work

[Scratch website](#)

7

[Evaluate the work](#)

If children create stories about the topic, is good to make a story board in paper before starting (step 5)
